

Would you like for your child to participate in
A Touch of Class Craft Show?

October 24 - October 26, 2024
10:00 a.m. - 6:00 p.m.
Carson Valley Inn

A Touch of Class is a very unique craft show with a great reputation. This will be our 23rd year!! And our 11th year at the CARSON VALLEY INN, Minden, NV. We have 28-30 different crafters but NO BOOTHS. We have central cashiers so no need to purchase items from individual crafters. All items our crafters make are handmade.

We are inviting kids ages 8-16 to join us in:

We are searching for young crafters that might be interested in not only creating different crafts but also to be introduced into the different aspects of selling what they create.

The cost for your child to be in the show is only \$20 (we charge adults \$165). Your child will receive 100% of their sales (we pay the sales tax). There are no other charges involved and although they are not required to work at the show as all the other crafters are, we can make arrangements for you and your child to have the full experience of being a part of our craft show.

There are no guarantee's that every item they make will be sold so it is important they understand that.

There are a couple of things that we DO require:

- All products ready to be sold need to be dropped off at 1931 Palomino Lane, Gardnerville (or arranged to be picked up) by October 15.
- Every item must have one of our tags attached (we supply them) with your child's code and price on both parts of the tag.
- Checks are distributed at our November meeting at 6:00 pm at our wrap up meeting held at the Senior/Community Center. Items that were not sold will need to be picked up at this meeting. After the November meeting items may be picked up at 1931 Palomino Lane, Gardnerville
- **ALL CRAFTS MUST BE MADE BY YOUR CHILD!**

If you would like your child to participate, applications are attached for you to fill out and submit with your payment.
