2022 Vendor Application and Guidelines

A Touch of Class is a very unique show with a great reputation! We have worked hard to establish a wide customer base. We work as a team, with central cashiers, crafts arranged by category (not in individual booths), and everything must be handmade. It is important that all vendors understand what our focus is, and are willing to work within the following guidelines.

Be sure that this is a venue that will work for you.

1. Provide a detailed list of your products. Your specialties are to be the first 5 items on the your list. Additional products may be added at a later date with approval. All items MUST be handmade. _____ init
2. Perforated tags (which are provided and available at Carol's or Robin's house) are to be used on all items. Your individual code and price are required on both parts of the tag. All food items are to be yellow tags (non taxable). (*Please do not take more than you think you might need*). You may not mark items "Sale or Closeout". _____ init
